

CHECK INTO THE MALL

TRAVELLERS to Chennai no longer need to be cooped up in the confines of a hotel room. Under-scoring the city's arrival on the business and travel map is The Skywalk Hotel at Chennai's first integrated lifestyle mall — AMPA. This 20 room boutique hotel located on the fifth floor provides corporate clients, executives and families who wish to stay for longer duration, the space of a home with the comforts of a luxury hotel. Managed by the Auromatrix Hotels Pvt Ltd, this Hotel offers travellers a choice of chic rooms with unmatched service, sophisticated environment and a classic menu. Visitors to Chennai with work in and around areas like Anna Nagar, Nungambakkam and Ponnammallee now can simply check into this mall,

watch a movie, eat at the many food courts and pick up their favorite makeup remover from Body Shop or drape a Satya Paul. The hotel, which is to officially open in a week's time would also be launching its own 24-hour multi-cuisine restaurant that serves a la carte and buffet choices of menu with a seating capacity for about

a 100 guests, an Indo-American Fusion Grill offering delicacies from around the globe, and a Mediterranean specialty restaurant with cuisines from Greece, Morocco, Italy, Spain, France, Lebanon and Turkey. Not to forget the coffee shop, pub and banquet hall. The rooms are clutter free with only the bare essentials and have a minimalist appearance.

Facilities offered:

LCD TVs in all rooms, Tea/Coffee makers in all rooms, Wi-Fi/Internet browsing, laundry and dry cleaning, safety lockers, doctor on call, travel assistance. With the festive season fast approaching it would also be a good idea for diehard shoppers to check in!
